

PROFILE

Professional background in music, leadership and organisation. As first trumpet, section leader and founder of an eight-person band, I developed precision, responsibility and coordination under real performance pressure. Today I extend that experience through digital tools, web fundamentals and AI-assisted workflows.

PROFESSIONAL EXPERIENCE

Hardy Orchestra 2017-2022

First Trumpet & Section Leader

Led the trumpet section in complex productions, including Rammstein-Symphonien. Precision and resilience under live-performance pressure.

Symbioz Band 09/2019-02/2022

Founder & Band Leader

Led 8 musicians and organised 80+ events. Responsible for project planning, budgets, client acquisition, conflict management and quality assurance.

Gastronomy 2022-2024

Courier / Delivery Driver

SELECTED DEVELOPMENT

ReSchuhe 2026 · in development

Concept · brand · digital product

Business planning, brand development, product structure and AI-assisted execution. Public website and customer-facing digital experience in development.

Portfolio v2 2026

Interactive professional profile

Concept, structure, content direction, design decisions and final evaluation directed by me; AI support for research, exploration, technical implementation and QA.

EDUCATION & TRAINING

Fullstack JavaScript (Certificate) 2024-2025
